Startup Studio Manager

April 2021 - Present (4 years 7 months)

Yazd, Yazd Province, Iran

At Finic Startup Studio, I am privileged to lead initiatives that empower and support Iranian startups and founders in their journey to international markets. In my role as a Manager, I:

Mentor and Guide Startups: Provide comprehensive support and strategic advice to budding entrepreneurs, helping them to professionalize their ventures and prepare for global expansion.

Strategic Planning and Development: Contribute to the studio's growth by participating in strategic planning, ensuring that we consistently drive innovation and excellence in our support for startups.

Network and Relationship Building: Actively engage with external partners, investors, and industry experts to expand our support network and create opportunities for the startups in our studio.

Operational Excellence: Oversee day-to-day operations to ensure a productive and collaborative environment, fostering a culture of ambition and creativity.

International Market Expansion: Focus on identifying and creating pathways for our startups to export their products and services, navigating both local and international business landscapes.

Event Organization: Organize and host workshops, training sessions, and networking events to enrich our entrepreneurial ecosystem and provide additional learning and networking opportunities for our startups.

Regulatory Compliance: Ensure all startups adhere to relevant legal and regulatory standards, providing guidance on both local and international compliance requirements.

I am passionate about driving success for startups and am dedicated to creating an environment where innovation thrives and Iranian entrepreneurs can realize their global ambitions.
